This catalogue is designed to help you decide upon your own choice of products. It will show you what they can be crafted out of, either acrylics or woods, so you can make the decision with ease. You can also decide whether you would like them to be personalised, if so wood should be chosen. Gift wrapping is optional.

All pictures are just examples. What makes them unique is your customisation. Prices are a guideline only as they are variable, (UK only).

Please take note of all item order numbers; adding them to the order form.

Time & Delivery Considerations:

Please inform us of your latest delivery date; as the time required to create the product can be variable, including postage time.

Postage costs are extra with your choice of royal mail First or Second class signed for.

One Perfume/Aftershave Spray - **First class £5.50** or **Second class £5.00**

Clocks, Thermometers and Barometers

Postage will cost more as they are large and heavy. Furthermore please be aware that the postage price for clocks, thermometers and barometers could change considering their weight and the packaging.

One Clock/Thermometer/Barometer **First class £10** or **Second class £9.00**

Please contact us for more postage details if you have a larger order.

All pens are writer friendly and durable. Various nib designs enable a continual flow of ink for ease of all writing styles. All items except Clocks, Thermometers and Barometers come in a clear plastic snap close bag.

Personalisation:

Personalisation of your products costs £10 for Names. And if you would like larger patterns then a further £10+. For all wooden items excluding Clocks, Thermometers and Barometers, it is advisable to keep to one chosen name, as seen below. The remainder of items you can choose more freely. Please get in touch for more information and to inform us of your decision so we can go through it together.

Lullingstone Castle Range

Pens and Key Rings

Take yourself to Lullingstone castle for a fun family day out or for a quite walk around the gardens; where you can treat yourself to one of the Lullingstone collection.

Lullingstone Castle Pen

This Venetian pen was handcrafted out of an Oak beam. This had to be removed from the Gatehouse at Lullingstone Castle during its repair works. The beam is dated from the 1400's which predates the Gatehouse itself.

Lullingstone Castle Key Ring

This Keyring was handcrafted out of an Oak beam. This had to be removed from the Gatehouse at Lullingstone Castle during its repair works. The beam is dated from the 1400's which predates the Gatehouse itself.

And there's more on the way for the Lullingstone range!
